CCC-Exempt Declaration for Field-Wired Connectors

As we know, CCC certification is mandatory in China, and CNCA is the responsible committee for the definition of CCC application range. So please visit the website below for the latest bulletin (No. 45 of year 2014) of CNCA for CCC application range.

http://www.cnca.gov.cn/xxgk/ggxx/2014/201512/t20151230_44252.shtml

Field-wired connectors Product definition:

ID	Article-Description
several	M8 and M12 Field-Wired Connectors (Product list see Annex)

The main function of the connectors is the typically use for industrial process measurement and control as a standard for industry. The connectors are for the varied application of interfaces and media with regard to signals, data and power for example for sensors and actors.

According to the annex of bulletin (No. 45 of year 2014) of CNCA, category 2, 'switches for circuit, installation protective and connection devices' and subcategory 'plugs and socket-outlets for industrial' is for products, which are in the scope of the applicable standards GB/T11918.1, GB/T11918.2 and GB/T11918.4. The GB standards equate to IEC 60309-1, IEC 60309-2 and IEC 60309-4. The field-wired connectors are not in the scope of these standards. They are in the scope of IEC 61076-2-101, which is not referenced in the latest bulletin (No. 45 of year 2014) of CNCA for CCC application range.

So, we can have a conclusion that the subject field-wired connectors are not in CCC application range.

Date of creation: 2017-03-01

SCATTERGOOD & JOHNSON LTD

ELECTRICAL ENGINEERING & FLUID CONTROL DISTRIBUTORS

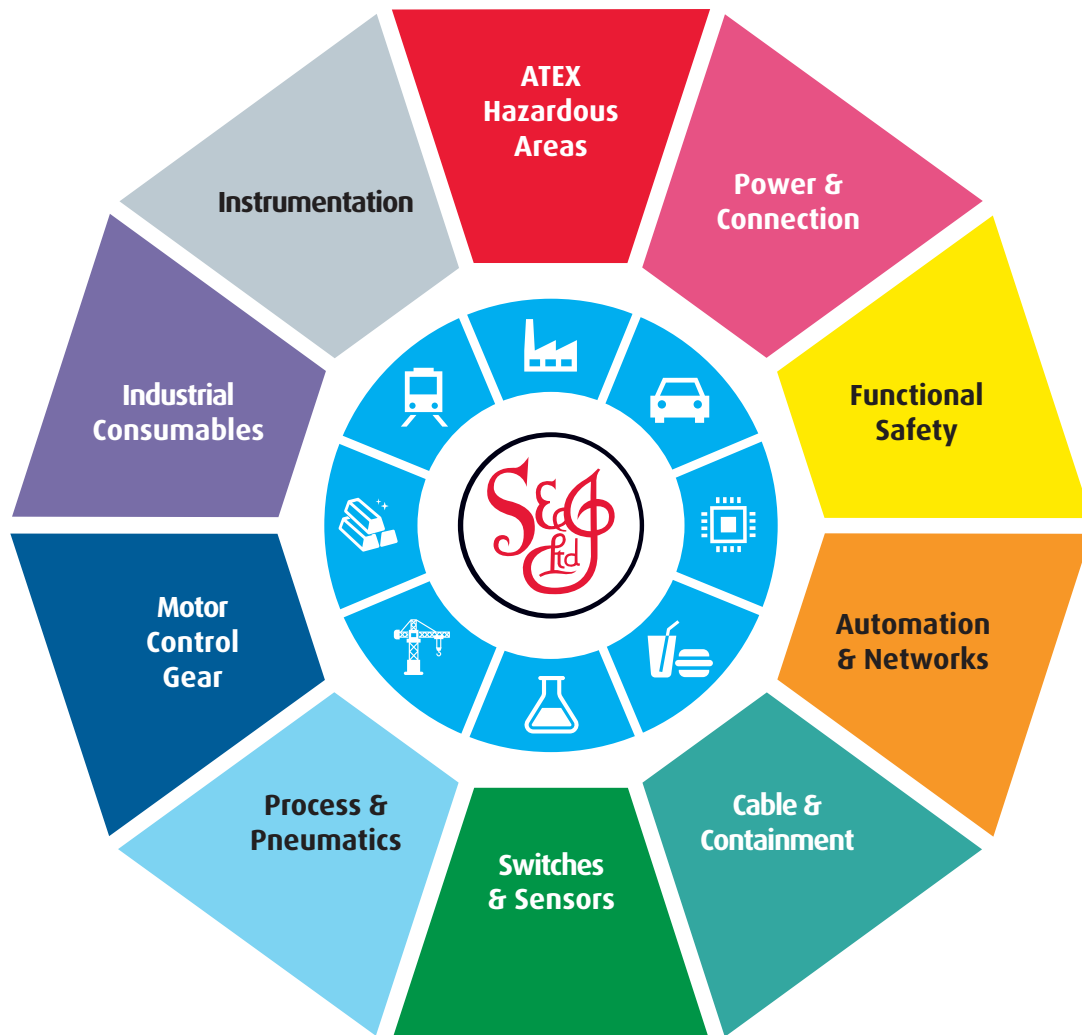

At Scattergood & Johnson Ltd, we pride ourselves on being a technical distributor to specialist industries.

Working with a range of quality product suppliers across a number of specialist markets, we are not your average 'box shifter' - we are your technical and supply chain partner.

We fully support every product we sell - for free! Our internal team and external sales engineers can answer any product or application question, no matter the complexity.

Backing up this technical ability is a range of 50,000+ products available from stock for nationwide next day delivery (same day if required!), or you can collect what you need from any of our trade counters around the UK.

Select your specialist interest below to learn more about how we can help.

Online, In Branch and On the Road - Scattergood & Johnson Ltd, there when you need us.
