CCC-Exempt Declaration

As we know, CCC certification is mandatory in China for defined products, and CNCA is the responsible committee for the definition of CCC application range. So please visit the website below for the latest bulletin (No. 45 of year 2014) of CNCA for CCC:

http://www.cnca.gov.cn/xxgk/ggxx/2014/201512/t20151230_44252.shtml

PCB terminal blocks and PCB connectors

Description of product, product group or product family

Product list:

See list on next page(s).

Description of product function:

The main function of the PCB terminal blocks and PCB connectors is the connection of printed-circuit boards.

Reason why CCC certification is not required:

According to the annex of bulletin (No. 45 of year 2014) of CNCA, category 2, 'switches for circuit, installation protective and connection devices' and subcategory 'plugs and socket-outlets for industrial' is for products, which are in the scope of the applicable standards GB/T11918.1, GB/T11918.2 and GB/T11918.4. The GB standards equate to IEC 60309-1, IEC 60309-2 and IEC 60309-4. The PCB terminal blocks and PCB connectors are not in the scope of these standards. They are in the scope of IEC 60947-7-4, IEC 60998-2-1 or IEC 61984 which is not referenced in the latest bulletin (No. 45 of year 2014) of CNCA for CCC application range.

SCATTERGOOD & JOHNSON LTD

ELECTRICAL ENGINEERING & FLUID CONTROL DISTRIBUTORS

Est.1899

At Scattergood & Johnson Ltd, we pride ourselves on being a technical distributor to specialist industries.

Working with a range of quality product suppliers across a number of specialist markets, we are not your average 'box shifter' - we are your technical and supply chain partner.

We fully support every product we sell - for free! Our internal team and external sales engineers can answer any product or application question, no matter the complexity.

Backing up this technical ability is a range of 50,000+ products available from stock for nationwide next day delivery (same day if required!), or you can collect what you need from any of our trade counters around the UK.

Select your specialist interest below to learn more about how we can help.

Online, In Branch and On the Road - Scattergood & Johnson Ltd, there when you need us.
