## Note

<b>UL Approval E87056</b>	<p><b><u>Conduit connections</u></b> Conduit connections must only be made to metal base units identified by a U3 or U4 in the model number. Sensors with a plastic base, identified by a U1 or U2 in the model number, must not be connected to conduit.</p>
	<p><b><u>Cord grip</u></b> If a cord grip is used it must be LISTED (QCRV) in accordance with the cord grip manufacturers specifications.</p>

# SCATTERGOOD & JOHNSON LTD

ELECTRICAL ENGINEERING & FLUID CONTROL DISTRIBUTORS

Est.1899

At Scattergood & Johnson Ltd, we pride ourselves on being a technical distributor to specialist industries.

Working with a range of quality product suppliers across a number of specialist markets, we are not your average 'box shifter' - we are your technical and supply chain partner.

We fully support every product we sell - for free! Our internal team and external sales engineers can answer any product or application question, no matter the complexity.

Backing up this technical ability is a range of 50,000+ products available from stock for nationwide next day delivery (same day if required!), or you can collect what you need from any of our trade counters around the UK.

Select your specialist interest below to learn more about how we can help.

Online, In Branch and On the Road - Scattergood & Johnson Ltd, there when you need us.
