Ex-torchlight Series Stabex & Stabceag 0

(Zone 0, 1, 2, 21, 22)

The lights for all kinds of application

Compact and powerful, these torches are particularly suitable for use during rescue and emergency operations, as well as for control and inspection patrols. Depending on the type, it has been approved for all explosive gas atmospheres and explosive dust atmospheres in Zones 21 and 22 and provides optimum safety, even in unpredictable situations.

Zone 0 for tank inspection

With its Zone 0 approval the Stabex HF LED or Stabceag 0 is the ideal portable torchlight for tank inspection. With a powerful LED light source even large tanks can be inspected within Zone 0.

Always ready to hand

The particularly handy Stabex mini torch light series with fastening clip is a perfect personal light source for all inspection tasks. This torch light series is available with incandescent lamps or as LED version. The larger Stabex HF series features a wrist strap and can be worn and operated comfortably and securely with only one hand—even while wearing working gloves. This series is available with both halogen lamp and LED technology. The Stabceag 0 is delivered with batteries according to the ATEX certificate and ready to use immediately. A highlight presents the helmet holder accessories, which makes Stabceag 0 suitable as a helmet torch.

Features

- Single-handed operation even with work gloves
- High degree of protection IP 65/66/68
- LED technology: Stabex mini LED, Stabex HF LED and Stabceag 0
- Stabceag 0 even suitable as helmet light
- Scratchproof mineral glass

SCATTERGOOD & JOHNSON LTD

ELECTRICAL ENGINEERING & FLUID CONTROL DISTRIBUTORS

Est.1899

At Scattergood & Johnson Ltd, we pride ourselves on being a technical distributor to specialist industries.

Working with a range of quality product suppliers across a number of specialist markets, we are not your average 'box shifter' - we are your technical and supply chain partner.

We fully support every product we sell - for free! Our internal team and external sales engineers can answer any product or application question, no matter the complexity.

Backing up this technical ability is a range of 50,000+ products available from stock for nationwide next day delivery (same day if required!), or you can collect what you need from any of our trade counters around the UK.

Select your specialist interest below to learn more about how we can help.

Online, In Branch and On the Road - Scattergood & Johnson Ltd, there when you need us.
