Please note:

This certificate refers to the production status of the mentioned products at the time of issue. It is based on a design evaluation respecting the valid standards. It is also based on our experience with similar

products. The rated values are valid for one single device in free air. In accordance with the exact application conditions, system-dependent reduction factors shall be provided. For the use of our products DIN EN 61439-1 is to be applied in the currently

valid version. Furthermore, the indications in our product manual are to be observed. A test regarding the exact conditions of use would need to be ordered specially. This certificate will not be updated after future changes in design or technology.

SCATTERGOOD & JOHNSON LTD

ELECTRICAL ENGINEERING & FLUID CONTROL DISTRIBUTORS

At Scattergood & Johnson Ltd, we pride ourselves on being a technical distributor to specialist industries.

Working with a range of quality product manufacturers across a number of specialist markets, we are not your average 'box shifter' - we are your technical and supply chain partner.

We fully support every product we sell - for free! Our internal team and external sales engineers can answer any product or application question, no matter the complexity.

Backing up this technical ability is a range of 50,000+ products available from stock for nationwide next day delivery (same day if required!), or you can collect what you need from any of our trade counters around the UK.

Select your specialist interest below to learn more about how we can help.

Online, In Branch and On the Road - Scattergood & Johnson Ltd, there when you need us.
