

9005.D

BLINDPLUGS, IN PA6.6

Features

TECHNICAL INFORMATION

Range of operating temperature (static)	-40°C
Colour	white

WEIGHT AND DIMENSIONS

Height of the outside of the seal	5mm
-----------------------------------	-----

CLASSIFICATION AND DATA ORDERING

Customs code	39269097
--------------	----------

MATERIAL COMPOSITION AND TREATMENTS

Material	Polyamide PA6.6
----------	-----------------

LOGISTIC

Unit in minimal packaging	25PCE
Unit in standard packaging	250PCE

CERTIFICATIONS

Self-extinguishing fire class according to UL 94	V0
Ingress Protection	IP66
